

November 30, 2020

Dear Stone Harbor Homeowner,

The Stone Harbor Chamber of Commerce wishes you and yours a happy holiday season. We hope you will be spending much of it here. This year more than ever, shopping and dining local means so much to our small businesses.

Stone Harbor is so unique and special, thanks in a big part, to our wonderful restaurants, shops, boutiques and businesses. We know how much they mean to you, your family and your visitors.

The Stone Harbor Chamber of Commerce relies not only on our membership, but on our special events and festivals. And, as you know, 2020 did not allow for any of our community-supported festivals or musical events, like our "Stone Harbor Shiver," "Tuesdays at the Tower," and "Savor September Beer, Wine & Food Festival." We are confident that 2021 will be a much brighter year, one filled with the return of several of these beloved events.

We are reminding you that individuals can become members of our long-standing community organization for \$35.00. We have included our 2021 membership application. Your support is really appreciated.

Thank you and stay safe this holiday season! We will be here when you get back!

Sincerely,

Maggie Day
President, SH Chamber of Commerce
